**Subject: Listing of DANNALAB as validated supplier**

Dear Dr. V.A.Kogan,

Based on the information available on your laboratory, we have the pleasure to inform you that DANNALAB has been validated as supplier for the following measurement group:

**Characterisation studies**

**- Characterisation of silica nanoparticles certified reference materials via small-angle x-ray scattering.**

Please do not hesitate to contact us for any further information.

Best regards,

Dr. Robert Koeber  
Quality Manager Reference Materials Unit
